Explanation of Symbols

✔ = Grade available: School is accepting applications for that grade level for the 2023-24 school year.

★ = Eligibility guidelines:

Dual Language - For grades 2-8, seats are available only for students who are either Spanish proficient and/or already enrolled in dual language/Spanish immersion programming.
 High School - Applicants should provide transcripts for review if accepting a seat to make sure they would still be on track for graduation by participating in the Choice programming.

✖ = Grade not available: The school either does not serve that grade or is not accepting applications for that grade for the 2023-24 school year.
